This certificate of attendance has been issued on behalf of SAP

Dear colleagues,

On Friday (October 18, 2024) from 9am till 5pm CET (please compare to your local time) I am pleased to present to you the teaching and learning environment for SAP Integrated Business Planning (IBP).

Below you find all necessary event details.

1) Virtual room

Please use the information below (or in the .ics file attached) to access our virtual training room which opens at 8:45am CET.

Topic: SAP Integrated Business Planning

<https://us06web.zoom.us/j/87092344269?pwd=823n1wLlabZFpOA1IPmKn923yV4CYa.1>

Passcode: 926657

2) Agenda

For your orientation and in order for you to plan your working day, here is the preliminary agenda.

09:00 Welcome, introduction round

09:20 Introduction to SAP Integrated Business Planning

10:00 SAP IBP teaching and learning environment

10:30 Break

11:00 Introduction to navigation course

11:30 Introduction to exercises

12:30 Lunch break

13:30 Presentation of case study "Sales and Operations Planning"

15:00 Break

15:30 Presentation of case studies "Demand Planning 1" and "Demand Planning 2"

16:30 Outlook, questions, discussion

17:00 End of training day

3) Browser and operating system

In order to use SAP IBP during the training and later on during your classes, in addition to a standard web browser you need Microsoft Excel including an Excel add-in and a VBA macro. SAP recommends Google Chrome or Microsoft Edge. Thus, Microsoft Windows is the preferred local operating system. All software necessary for the training will be presented and installed during the training.

With best regards from Leipzig, Germany, and looking forward to seeing
